

CARMEL

ADVENTIST COLLEGE

Dear Parents and Guardians,

We are excited to have arranged for our Year 7 students to enjoy an amazing camp full of discovery, friends and adventure.

Students will travel to Perth Zoo where they will begin their biological extravaganza with an assessed field trip at Perth Zoo and will attend a special education program: Fantastic Beasts and How to Name Them. If you as a parent would like to volunteer to help supervise a group at Perth Zoo, please don't hesitate to get in contact with Mrs Stafford on tania.stafford@cac.wa.edu.au. Please take note that Perth Zoo is now cashless and students will need to bring a packed lunch with them.

Following the zoo, students will stop by Bayswater Waves, giving them the opportunity to go for a swim and most importantly have a shower.

Students will then get to enjoy the magic of an AQWA Shark Sleepover - a camping experience with a difference! Your child is in for a fun-filled night of discovery as they:

- Explore AQWA after hours on a guided tour of our indoor exhibits,
- Enjoy dinner in the AQWA Café
- Take part in crafts & enjoy an ocean-themed movie
- "Camp" out in our underwater tunnel surrounded by sharks, stingrays, turtles and hundreds of fish!
- Explore AQWA's outdoor exhibits, including;
 - The famous touch pool where students can interact with living sea creatures
 - AQWA's coral reef - one of the largest living coral reef displays in the world

On the following morning, students will journey to Fremantle where they will complete team-building activities around the area, mentored by our Year 12 College Prefects.

Included with this letter are the following documents that need to be completed for each participant:

- Parent/Guardian Consent Form
- Enrolment & Medical Form
- Safety and Behaviour Policy

All documents will need to be provided by the 10th of February. Participants will not be allowed to enter AQWA if these forms aren't received. It is important that you are honest with us about any medical condition or medication requirements your child may have. Your child's health and well-being is our greatest priority but is ultimately your responsibility. If you wish to speak to someone regarding your

PRIMARY CAMPUS
(08) 9291 6399

18 First Avenue, Bickley WA 6076
www.carmelcollege.wa.edu.au
ABN 53 105 583 935

SECONDARY CAMPUS
(08) 9293 5333

210 Glenisla Road, Carmel WA 6076

Safety and Behaviour Policy

Considerate and sensible behaviour with due regard for the well-being of others, and respect for the environment, should preclude the need for strict rule enforcement.

There are some areas, as indicated below, about which students need to be aware if a harmonious and worthwhile camp is to be affected.

GENERAL BEHAVIOUR

Students are expected to abide by the Carmel College behavioural expectations as outlined on the Carmel College website (and in SEQTA). They are to show respect and show exceptional manners at all times.

SLEEPING

Students are expected to keep their sleeping areas neat and tidy. Girls are not allowed into the boys' sleeping area at any time. The boys are not allowed in the girls' sleeping area at any time. After lights out, silence is expected until morning.

MEALS

Students are expected to use manners at all times. Duties will be given to students who choose not to use correct table etiquette.

CLOTHING

Our camp activities are all active, and students must be prepared with appropriate clothing. Students will be required to wear their PE uniform on Tuesday whilst attending Perth Zoo. They may change into free dress after swimming at Bayswater Waves. It is important that clothing is modest (particularly swimwear) and does not have inappropriate slogans.

DEVICES

Electronic devices are not allowed on camp.

In the event that students need to get in contact with parents or guardians, a teacher will allow supervised access to a telephone.

Students with cameras must ensure that they are using them in a respectful manner. Photographs should not be taken of students who indicate they are unwilling.

Photographs should also not be shared (in either physical or electronic form) without the express consent of the subject **and** their parents/guardians.

SWEETS AND SOFT DRINKS

Any sweets, chips and soft drinks brought on camp will be confiscated.

PUNISHMENT FOR BREACH OF POLICY

Minor breaches will result in extra duties and/or loss of privileges.

Major breaches may result in students returning home at their parents' expense.

Remember, a great camp happens when we all: use excellent manners, share, cooperate, think for ourselves, and consider the needs of others!

Camp Organisers realise the responsibility parents give them when allowing their child to attend camp and endeavour to cover all eventualities. The organisers, like parents, place trust in the students to demonstrate sensible behaviour at all times. All camps are an extension of school and carry the same rules and responsibilities. In addition, AQWA has a set of conditions that must be observed. Students failing to comply with this contract may be returned to home/school at their parent's expense.

Parents/Guardians:

I agree to inform the organisers before the scheduled camp departure of any change to my child's health so that appropriate supervision may be arranged. I acknowledge that, in the event of accident or serious illness, the school will take my child for medical assessment/treatment as soon as possible.

I give my son/daughter _____ permission to attend the Year 7 School Camp from 25th - 26th of February, 2025.

Parent/Guardian Signature _____

Date: _____

Student:

I understand and agree to abide by all camp rules and restrictions. I also agree that if I infringe any of the rules and expectations, I may be returned to my home/school at my parent/guardian's expense.
