## **Year 10 Afterschool Metalwork/ Woodwork Catchup class permission**

**8<sup>th</sup> November 2022**

**3:30 – 5:30**

Dear Parents/ Guardians,

Mr Stafford and Mr Dessington are offering an after school catch up class for metalwork and woodwork on the 8<sup>th</sup> of November to students that would like to catchup on work from semester 1 and 2.

This class is not compulsory, and we only encourage students who are committed to finishing their work to attend. Students that attend and don't do any work will be asked to sit in the classroom in order to optimise the time for those who want to finish their work.

Students and guardians will need to organise collection from school.
